

HISTORICAL TIMELINE FOR NORTH PALM BEACH HEIGHTS

FREQUENTLY ASKED QUESTIONS

1)What is the North Palm Beach Heights Water Control District and why is it on my tax bill?

Answer- The district was created by the Florida legislature to maintain our canals and oversee the repayment of the debt used to create our neighborhood (roads,sewers,etc). The Palm Beach County Tax collector is responsible to collect monies for the district.

2)What are the charges on my tax bill marked NPBH Water Ctl Distr? This is over \$600 on my tax bill.

Answer- These charges are for monies borrowed to pave streets,install sewers and install city water in our neighborhood.(Labeled “Debt”). They are also for maintenance of the canals. (Labeled “Maint”).

3)When will the debt be paid off so my tax bill will be reduced?

Answer- The debt portion will be paid off in 2012. We will always pay something to maintain our canals.
